Goal_____

My goal as a programmer is to continue my education while working on indie projects, then to graduate and get a career in the industry as a developer for a published studio.

Education_____

Milwaukee Area Technical College | Milwaukee, WI
Computer Simulation and Gaming AAS, 2022-2026
University Wisconsin Stout | Menomonie, WI
B.S. Computer Science | 2026 - Currently enrolled

Skills_____

Game testing and debugging
Game modding
Github organization
Trello management
C# fluency
Unity engine experience

Projects_____
